

Torsk Season Launches with Sloopers

Sloopers are the descendants of the first Norwegians who sailed from Norway to the United States in 1825. These early pioneers came to America on a 54-foot sloop in search of opportunity and freedom. They have since been known as "Sloopers"

The 2015-2016 Chicago Torske Klub luncheon season launches in September with a presentation by Wesley Hougsted. Pastor Hougsted is a retired United Methodist minister after serving churches in Northern Illinois for 34 years. He is currently a resident of Arlington Heights with some wintering in Florida. He has been married for 37 years to Judith, with 6 children and 11 grandchildren

He has a Norwegian heritage as both parents were Norwegian with his father having journeyed to America when he was 19 years old. He has been a member of the Slooper Society of America since childhood and is currently their Vice President.

He will be speaking about the heritage and history of the Sloopers, who were the first settlers in America from Norway.

Catching Up on News Since Last May

The Chicago Torske Klub held a board meeting in May. We note a few highlights below:

- ◆ Garry Grube recorded two non-board members with perfect attendance in the Sept.2014 to May 2015 torsk year. As such, the board voted unanimously to offer **Ron Bentsen** and **Ivan Torske** a complimentary dinner on next visit for their loyalty.
- ◆ The price of cod is rising by our observation and that of the Elk's Club. We expect a future raise in our meal price and that will need to be passed to our members. \$25 is likely, but final price will be determined based on cost. Other meal choices were considered, but we *are* the Torske Klub.
- ◆ **DATE CHANGE for NOVEMBER:** Due to the date reservation of the Swedish Woman's dinner on November 14, the Torske Klub will meet on the 1st Saturday of November; that month only.
